

CLOVERLEA SCHOOL

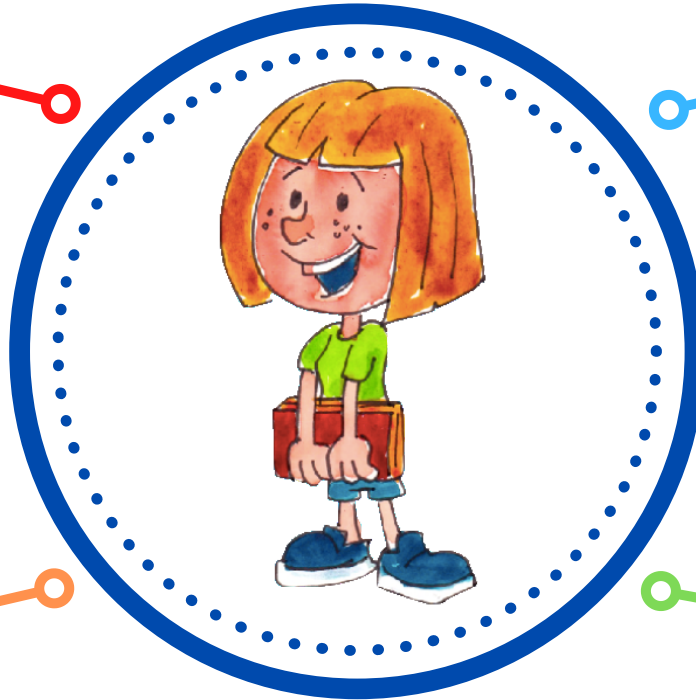

READ AND FEED

All classes have Read and Feed after morning tea each day.

Teachers read and share books and stories that engage LEGENDs and promote thinking.

LEGENDs hear what good reading sounds like, learn new words and discover new information.

After Read and Feed LEGENDs are more settled and ready to start the next part of their learning.

LEGENDs say Karakia for kai before they eat.

LEGENDs have a calm environment to sit and eat in.

LEGENDs are encouraged to take their rubbish home with them to help care for our school environment.
