**Kia Ora, Talofa lava, Malo e lelei, Namaste, greetings to you.**

### ***Principals Pen - Whaea Leiana***

We have all had to show our **LEGEND** values this week! The classes that went on camp on Monday, were very **RESILIENT** with the rainy weather. It was a fantastic week for our senior students, lots of fun and outdoor experiences that will create memories of a lifetime! While the Year 5 and 6 students enjoyed Camp Makahika, the Year 4 students enjoyed their special day out. **THANK YOU** to all the staff and parents who contributed to such a successful week. There is a lot of **ORGANISING** work that goes on behind the scenes, to make sure it is a success. Next week we will have a collage of photos.

### ***Health and Safety***

The 3 Bike Tracks should be completed soon. We will then have the storage shed arrive and the 50 bikes assembled. Staff will be learning about Bike Safety, including how to ensure students helmets are worn correctly, and how to identify the right bike heights for individual students. Once we have upskilled staff around the safety, we will be able to use the bikes.

### ***New School App – Mass Texting***

Over the next couple of weeks, we will be introducing a new school app. This app will mean that we can start doing mass texting notifications to the entire school. We will be able to send out reminder notices frequently. **To begin with, everyone will get the same notices and then from 2017, you will be able to join groups and get notifications specific to that group.** Eg/ Join the Touch Sports Group and only those who are in the Touch Sports Group will get the Touch notifications. Thanks for your **RESILIENCE** as we establish this.
