Kia Ora, Talofa lava, Malo e lelei, Namaste, greetings to you all.
Welcome Rylee and Riley to Cloverlea School.

It has been a busy second week, with lots of students enjoying the opportunity to swim in this hot weather. The timetable is changing each week, to accommodate the number of students we have, as well as ensuring that each class has some time in the pool regularly. In 2018, the students discussed and decided what being a LEGEND looks like in the pool and the changing shed.

Massey University trainee teachers spent a couple of hours here on Thursday, working alongside some of our year 4 LEGENDs and all of our year 5 and 6 LEGENDs. The trainee teachers are completing their post graduate study which means they have a degree in another area, and completing a 1-year teaching diploma. They thoroughly enjoyed working with our LEGENDs as they went through their first ever teaching lesson. We look forward to having more visits throughout the year.

We also have had our first visiting performer visit this week – “The Science Van”. The whole school watched the first session and learnt about finding the centre of balancing. Throughout the rest of the day, the students attended another session and the feedback from the students was very positive. The visiting performers donation is what helps pay for the shows we bring in to school, so that our LEGENDs experience a range of performing arts and learning experiences that are difficult for teachers to provide. The $40 donation can be paid throughout the year, and online, using your child’s name as a reference.

Next week, the heat pumps are being installed in the hall which we are very excited about. A big thank you to Central Energy Trust for funding 75% of this cost.

PTA AGM
This will be held in the staffroom on 27 February at 2pm. The PTA is an important part of our school, as the PTA help with different school events and organise a couple of fundraisers each year. If you would like to be part of the PTA, please come to the very first meeting. Positions for PTA Chair, Treasurer and Secretary will be organised and then we will look at a potential timetable for the year. Every bit of help is useful as the sausage sizzles and tuck shops we have run in the past, is because of the support from the PTA.

SPORTS UNIFORM
Students are expected to wear the correct school sports uniform (t-shirt, shorts, socks). This can be organised through the office. Socks must be purchased and each sports code will let you know if you need the short socks or the long socks. T-shirts and Shorts can be purchased for $35 for the set, or hired each term.

If you choose to hire the uniform, the uniforms must be returned cleaned and washed for another LEGEND to hire.

Thought of the week:
If you stumble, make it part of the dance.

**CLOVERLEA LEGENDS AT SPORT**

We have lots of students who are interested in playing sports, and we encourage this as they learn many life skills such as being organised, winning and losing, listening to other adults, determination and following rules.

This year, we are developing what LEGEND looks like at sport and this will begin the process of having a Cloverlea Sports Code of Conduct and will also help with the development of a Code of Conduct for parents who are coaching and managing teams. It is vital that our LEGENDs see our values in real life contexts and that these are modelled.

We will ask for community feedback and ideas when this begins.

**Thank you from Palmerston North Women’s Refuge.**

At the end of last year we made a donation to the Woman’s Refuge and we received a lovely thank you note from them.

“The donations we received are invaluable to us and it is only with this sort of support from organisations and individuals like you that we remain viable. Your kind support enables us to continue providing safety and protection for women and children in crisis”

---

**MATHLETICS**

Next Friday with the newsletter you will receive a Mathletics notice that will inform you on how to join up with Mathletics and keep track of your child’s maths progress on the app.

---

**VOLUNTEERS NEEDED FOR BREAKFAST CLUB**

Thank you to those that have volunteered to support the Breakfast Club. We are still after some volunteers to help between 8.30am – 8.50am on Wednesdays and Fridays. This is a great part of our school, where students are able to have breakfast, and enjoy each other’s company. If you are able to assist in helping our LEGENDs, please let the office know.

---

**SPORTS FEES**

Just a reminder that sports fees are non-refundable as the school pays the organisations at the beginning of each season.

---

**FACEBOOK and SKOOL LOOP**

If you are new to our Cloverlea community don’t forget to join our school Facebook page – Cloverlea School Community and our app which is via Skool Loop – just search Cloverlea School.

**PERFORMING VISITORS FEE**

Each year, we try to bring in different experiences for the students. We bring in plays as well as learning experiences that we are unable to do within the classroom. Instead of asking for money every couple of weeks, we ask for $40, which covers all shows for the year and we subsidise an end of year day trip as a celebration of the year. This can be paid to the office or paid on line, with your child’s name as a reference.
