Friday 18 November 2016 Principal: Leiana Lambert

Kia Ora, Talofa lava, Malo e lelei, Namaste, greetings to you.  
WELCOME TO ???? who has joined us this week.

### Principals Pen - Whaea Leiana

What a shake to begin the week! Thankfully everyone in the community was safe and that there was no building damage here at school. Some students slept through the earthquakes, others were up in the night and had lots of stories to share. As with all emergency procedures, we do have Earthquake Procedures. The staff have spoken to the students about this as part of their discussion but are also mindful that we have students who need support from the Lock Down. Rest assured, should we have an earthquake during school time, all procedures will be followed and teachers will ensure student safety. We have Classroom Procedures as well as Outside Procedures. If you have any questions, please ask your child's teacher.

### Road Patrollers

We were lucky this week to have one of the Palmerston North City Councillors, Leonie Hapeta, visit us to award the Road Patrollers with their certificates. The Road Patrollers are an important part of our school and are **DETERMINED** to make sure the students are able to cross the road safely. THANK YOU to the parents who continually follow the parking rules and ensure the Road Patrollers are able to do their job safely.

**Thought for the week:**
