Friday 2 June 2017

Principal: Leiana Lambert

Kia Ora, Talofa lava, Malo e lelei, Namaste, greetings to you all.

A special welcome to Lochlan & Skylah – new pupils this week.

Principals Pen - Whaea Leiana

What a great end to last week, with all students enjoying their time with Stu Duval. I was also impressed with the senior students who were selected to work alongside him for an art workshop. Below is their work, developing our **LEGEND box**. The **LEGEND box** focuses on staff spotting students who are displaying any of the **LEGEND values** in the playground. Staff will be giving students who show the **Legend values** a golden ticket that gets placed in our new **LEGEND box**. Each week, in our Tuesday assembly, names will be drawn out for a special **LEGEND** reward. Students enjoyed the cross country and got to practise their '**resilience**'. The focus for the staff was around students being '**determined**' to give it

a go, showing '**excellence**' by doing their very best and being '**inclusive**' by encouraging others. It was fantastic to see this coming through! Next week is also a busy week with our first Duffy Theatre visit and a Wacky Friday. For Wacky Friday, students can dress up, have wacky hair, have wacky socks, whatever they feel like! The gold coin donation will be given to Kids Can, one of our generous school supporters. Kids Can help schools with jackets, shoes, food, head lice shampoo, head lice combs, tissues and more. The student council thought this was a fantastic way of giving back to an organisation that gives to us and other local schools!

School roll and some class changes

The Cloverlea staff know the students across the school really well. We take pride in making sure that we connect with all our students and work hard at knowing them all by name. All students and families involved in changes are aware.

Senior School Overnighter

Ruahine Team has confirmed the cost for their overnigher as \$112.00. We are also encouraging families to make direct credits to our school bank account which is: **BNZ 020 727 054 7939 25**. Please use your child's name as a reference.

What fundraising is coming up?

To support the Senior Schools overnigher, we have decided to give a new fundraiser a go. The senior students will sell 'Smencils'. 'Smencils' are made from 100% recycled newspapers and come in different 'smells' such as cola, grape, raspberry, bubble gum and more. All funds raised from this fundraiser will go towards entry to the Wave Pool and to DOC workers for their teaching at Soames Island. As the fundraising happens, we will update everyone on the 'reduced' cost. Eg/ After Smencils, it may save every family \$5, taking the cost to \$107.00

Enjoy your time Cloverlea Fantails and Megan

Megan won the ANZ Future Captain competition and will meet both the Team Captains, have photos with the Team Captains and get to Hi-5 the Pulse and Magic Netball players as they enter the court. Our Cloverlea Fantails (Year 1 and Year 2 team) will be playing in the half time break at the netball game this weekend! Catch it all on tv!!!

Cloverlea Space Cadet Science Challenge

Bugs Bunny is actually a hare, not a rabbit.

How can you go about proving or disproving this statement? Bring your findings to Room 1 by Friday 9th.

Mrs Mac looks forward to seeing some *determined* children (or parents) with your theories!

Sports Uniform Votes are in!

Below are the number of votes for each uniform and the winning uniform voted as the student favourite, parent favourite and a very close second favourite of staff. Our new sports uniform is the **NUMBER 1**.

	STUDENTS	STAFF	PARENTS	TOTAL
UNIFORM 1	107 (1)	11 (2)	31 (1)	4
UNIFORM 2	43 (4)	2 (3)	12 (2)	9
UNIFORM 3	70 (2)	2 (3)	8 (4)	9
UNIFORM 4	55 (3)	14 (1)	10 (3)	7

IMPORTANT EVENTS AND DATES

For 2017

<i>QUEENS BIRTHDAY</i>	<i>5 June</i>
<i>Duffy Theatre visit</i>	<i>8 June</i>
<i>First Reading Together Workshop</i>	<i>8 June, 2pm</i>
<i>Kids Can, Wacky Friday</i>	<i>9 June</i>
<i>Interschool Cross Country</i>	<i>13 June</i>
<i>BOT Meeting</i>	<i>13 June</i>
<i>2nd Reading Together Workshop</i>	<i>15 June</i>

Robotics Scrimmage

On Saturdays, we have a group of Cloverlea Students who have begun learning about Robotics. Every couple of weeks, the students meet, learn about coding Robotics and have a go at making the robots work. Check out the students trying to use their bot to lift the rings.

Classroom Letters for the Board Games

Last week you would have seen the photo of the Student Councillors with the board games that were purchased from the funds raised at Easter Fair. The classes have been busy writing how they are going to be *Cloverlea LEGENDs* and how they are going to be *determined* to look after these games. Below are some of the classroom responses with more classes responses next week:

ROOM 4 – “We will keep food / drink away from games”

ROOM 6 – “If we miss out on getting a game that we want, we will show resilience and patience and wait our turn”

ROOM 7 – “When we play with our games, we use the value inclusive. We want everyone in Room 7 to be cheerful so when we play with the games, we let people join in if there is a space for them”

ROOM 8 – “We will be inclusive and let others play with us. We will use our manners when asking if we can join in”

Cross Country 2017

Lots of students who showed our LEGEND values from the time they began their warm up, throughout the run and finishing. A great day, sun was shining and lots of laughing students – what more could we ask for? Results for each year group will be in next weeks newsletter.
