Term Two 2016

Friday 20 May

Principal: Leiana Lambert

No. 14

Thought for the week: "Your mind will always believe everything you tell it. Feed it hope. Feed it truth. Feed it with love"

Kia Ora, Talofa lava, Malo e lelei, Namaste, greetings to you all. A warm welcome to all the new families who have started at Cloverlea School – Lee family

Messages from Whaea Leiana

Another great week at Cloverlea School with the students making the most of the opportunities they have had. As the colder weather approaches and students start getting sick, please make sure that contact is made with the office. It is important for student safety, that we know where they are. If students need to leave school early, please ensure that they are signed out on the forms at the front desk.

Student leaders had a fabulous day at Central Trust Arena on Monday and you can read their learning and thoughts below. The mobile library visited with lots of students enjoying being out of the wet weather looking at books.

We have had all classes training for cross country, with Mrs Jensen and Mrs Turner taking a group of students for extra running practices during two lunchtimes this week. The children have enjoyed have a real go at running up and down hills and along the Mangaone Stream.

Board of Trustees Elections

Today was the last day that nominations could be handed in for the Board of Trustees. There is an election and voting forms will be sent next week.

Celebrating Learning

Schools are a place of learning and this week we are showcasing a piece of written work by Mason. **Mason is 5 years old** and from Room 9.

National Young Leaders Feedback

The day challenged us to be passionate about our dreams and work hard to achieve them. It encouraged all of us to step up to leadership.

The day started with Billy Graham, a boxing coach with a big dream to own his own gym. He was very funny and we learnt a lot about leadership from him. We enjoyed listening to Brylee Mills, an amputee who talked about being courageous. She also performed a dance.

One other highlight for us all, was an exclusive performance by Avalanche City who will be performing next month at the Regent in Palmerston North.

Finally, here are some quotes from some of the speakers we would like to share with you.

'You don't have to be the best. You just have to be your best' - Johnny Williams

'Don't listen to the haters. Listen to the fans' Brylee Mills

'The easy thing to do isn't always right and the right thing to do isn't always easy.' James Beck

Reading Together Workshop

We have some parents who are interested in attending the first workshop next week. If you would like to attend, there is still time to let the office know. Mrs Hutchinson and Mrs Lewis are looking forward to meeting with you.

Celebrating Success

In term 1, Cloverlea students had Hiwi the Kiwi visit. Students were given an opportunity to write a story to demonstrate their learning. We had 14 students who shared a piece of writing and from this writing, Whaea Leiana and Mrs Hutchinson were given the very difficult job of choosing one person to win the fishing rod. Congratulations to **Telihiana** from Room 3! Her story was selected because of all the different language features she used to get her message across. Here are a few sentences from her piece of writing. Can you identify some specific words used, some language features she used and some learning that Hiwi the Kiwi shared?

- I ate until I was full. Crunch, crunch, crunch.
- I began to realise it had babies so I said “Dad, put the fish back into the water”. He didn’t listen so I said “DAD PUT THE FISH IN THE WATER!”
- Scientists are trying to figure out why the sea birds are dying. It is because there is plastic in the sea and the seabirds think it is something to eat but it is actually plastic or rubbish.

Big, big thank you too . . . GOLDEN FRESH

Golden Fresh are delighted to have donated a complimentary bag Of **Apple Snappz** to every child at your school. We have a passion for our Kiwi Kids and know the importance of eating healthy while at school. With the vast array of delicious snack products now available we understand why the level of Fresh Fruit consumption is dwindling. This is why Golden Fresh bring Apple Snappz – a product that is healthy and easy and yet, kids love them!

The children loved these apples and enjoyed eating them as an afternoon snack. Thank you GOLDEN FRESH for donating these to our community.
