Principals Pen - Whaea Leiana

We are looking forward to seeing all our families over the next couple of weeks for Parent Teacher Conferences. Please remember that students can go home at 12.30pm, and the Conferences start at 1pm. This gives teachers the opportunity for toilet stops, some lunch and time to **organise** the classrooms. Staff have spent many hours testing and writing individual student reports to share with you all and to celebrate the learning that has happened over the last 2 terms. To **organise** a time, please go to to www.schoolinterviews.co.nz and use the code **5p3cv**. Please take this as an opportunity to celebrate your child's **excellence**, but also an opportunity for you to share with the teachers any concerns or worries you may have.

Building positive relationships

From time to time, all schools have issues that need to be addressed. If you have any problems, please see your child's teacher first. Your child's teacher is available in the classrooms every day from 8.30am. If you think you may need a longer time to talk through an issue with your child's teacher, you can make arrangements for a longer time through the office or with the teacher you need to speak to. All staff at Cloverlea School want children to be happy, to be safe and be excited for learning. Your child's classroom teacher is always the first point of call and needs to know if there are any problems.

Smencils Fundraiser

All Smencils are 100% recycled newspaper and sold in packs of 5 or 10. A 5 pack costs \$10 and a 10 pack costs \$20. Scented pens (Smencils) are also available and sold in bundles of 5 for \$20. If you would like to see these exciting products, you can come to the office. All funds raised will be used to support the reduction of the costs the senior school overnighter in Term 4. Orders close on 30 June 2017.

Paying by Direct Credit/ Using our SMS

You now have the option, to make payments via Direct Credit. Please use your child's name as the reference. We are moving towards using our School Management System (SMS) to receipt payments and show every transaction for every student. For the remainder of 2017, we will do all the senior students overnight camp transactions and receipting from our system and all the summer sports codes. By 2018, we will have the routine in place to be able to do all financial transactions and print outs for all aspects of the school. Your '**resilience**' as we work through this new system is much appreciated.

Bringing toys to school

We strongly encourage toys to be left at home. This saves all issues if things get broken, go missing or are lost. There is lots of sports gear available during interval and lunchtimes for the students to use as well as planned activities.

Thought for the week:

"Me mahi tahi tatou mo te orange o te katoa"

"We should work together for the wellbeing of everyone"

Celebrating Support Staff Day

Last week, we celebrated the work that our Support staff do at Cloverlea School. We created mini buckets that go along the theme of Bucket filling. Staff wrote on mini buckets positive compliments to fill the Support staff buckets. We appreciate and thank all the Support staff for their work in the school and always going above and beyond. We hope you enjoyed reading the ways that you fill our buckets!

Celebrate the Tui Park Reopening in Highbury

Celebrate Matariki on Saturday 24 June at 10am. There will be a free sausage sizzle, music and tree planting.

PB4L (Positive Behaviour for Learning) update

Staff have been discussing the playground expectations using our **LEGEND** values. Students have been talking about these and been learning about the appropriate ways to behave in the playground. Check out the **LEGEND** matrix that has been developed using student voice and staff voice. Over term 3, these will be placed outside for students and staff to refer to. The expectations in the playground are that we all use our **LEGEND** values and ensure we are '*inclusive*' towards everyone. This is our long term goal and your conversations at home, supporting this will make a big difference.
