PRINCIPALS PEN

You may have seen last night that all principals and teachers will strike next week. A vote of all principals and teachers from across Aotearoa saw the decision made to Strike next Thursday from 7am to 7pm. As a principal and as teachers, we are seriously concerned about the lack of funding and support that is available for schools to operate from. For Cloverlea, we have lots of **LEGENDs** who need extra support who aren't getting this, because there is not enough funding to go round. An example of this, was the applications we made last year for extra learning support for 25 **LEGENDs** across the school who are working around 3 years less than their actual age. We only had 1 of our applications successful giving 1 of our **LEGENDs** funding for extra learning support. This means that 24 of our **LEGENDs** access what we can offer in our class for learning and with board funding any other extra support which makes it harder for our **LEGENDs** as they get older.

individual **LEGENDs**, making sure our new **LEGENDs** starting school get the support needed and often have applications declined or told we need to wait longer to see if things 'improve'. This takes a massive toll on our Cloverlea whanau who know their **LEGEND** needs support, our staff who try and do their best to avoid burnout and other **LEGENDs** in the class as our staff support those with extra needs.

I am proud of the mahi that our **staff LEGENDs** do daily, and I know that our **LEGENDs** get the best we can do with what we have. More funding and support mean many of our **LEGENDs** would get support sooner and this is our priority. Come and have a korero with me if you would like to know more about how hard it is to access support and if you are one of our whanau who we have worked alongside in the hui, you might like to share what it is like for your **LEGEND** and how hard we try.

KO TE WHAINGA LEGEND MO TĒNEI WIKI This weeks LEGEND goal is

What's coming up:
