PRINCIPALS PEN

How great was the weather for our triathlon this week! It was great to see so many whānau who were able to visit and although I might not have had time to speak to everyone, I knew you were enjoying watching our **LEGENDS** do their absolute best and have fun! The staff were very proud of our **LEGENDS** determination and how **inclusive** they were of each other. We had some of our Rushine **LEGENDS** do their own triathlon, then help teams out by doing another part of the triathlon, as well as help our younger teams. This is **LEGEND** coming to life and being used in a way that makes sense for our tamariki but also gives them the opportunity to practise their leadership skills. We are all getting super excited to have some more legendary fun at the Relay for Life.

RELAY FOR LIFE

On the 25-26th March, Te Kura O Cloverlea will be participating in our first Relay for Life as a community. This event commences at 12 noon on Saturday 25th March and finishes at 12 noon on Sunday 26th March.

Relay for Life is a fundraising event for the Cancer Society where all the money raised across Aotearoa is used to support people with cancer, their whānau and raises money for further Cancer Research.

The Cloverlea Kaiako have **organised** one last fundraiser for this event. They have put together two hampers and we'd love everyone to buy tickets! Our **LEGENDS** will come home today with 3 raffle tickets that cost \$1 each. It would be awesome if everyone could be **Determined** to sell their tickets and return them to kura by next Thursday, the 24th March. Extra tickets will be available at the office if needed.
