PRINCIPALS PEN

This week our **LEGENDS** were really excited that they got the opportunity to vote for the new school cap. We will continue to have our wide brim green hat that **LEGENDS** wear during term 1 and term 4, but the senior **LEGENDS** spoke earlier in the year about how the wide brim hat was not fit for purpose when playing sports. After a term of brainstorming, coming up with solutions, designing and testing, our senior **LEGENDS** have finalised 2 options. All **LEGENDS** got to vote on the option that they liked the best. We ran it similar to a polling booth, so **LEGENDS** got to experience voting, using a milk bottle top. Once the results are finalised, we will let you know. This is one way we try and make the learning real and give our **LEGENDS** a say. More information about the cap will come once the senior **LEGENDS** have finalised the results and then go through the process of what they need to do next. We also need to acknowledge one of our senior **LEGENDS**, Mākoha who designed both of the designs that could go on the cap.

RICOH

Next Thursday, we have 52 **LEGENDS** taking part in the annual Ricoh tournament, competing against other schools from across Palmerston North. We have teams competing in all codes - football, hockey, basketball, netball and rugby 7s. On Monday, all those taking part will be going over our **LEGEND** expectations, getting ready to represent our kura in a **LEGENDary** way.

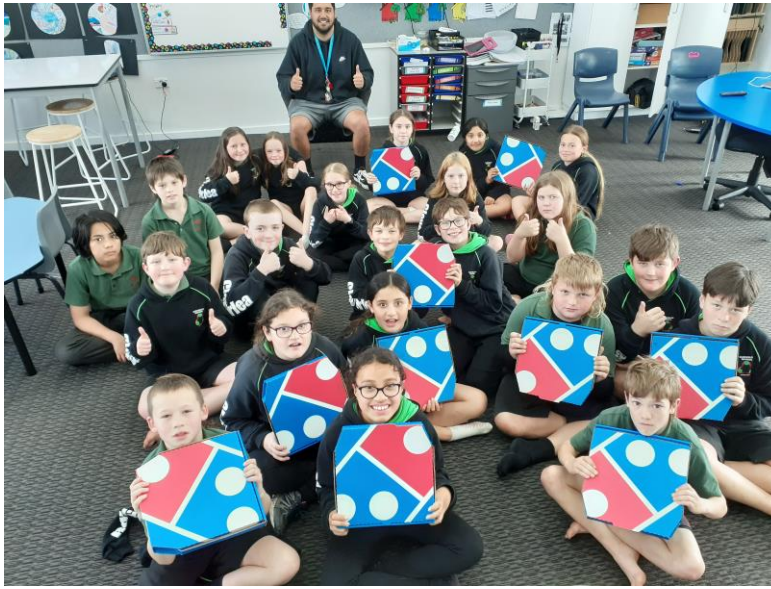

POSITIVE POST:

Congratulations to these **LEGENDS** for being drawn from the positive post box. These **LEGENDS** are recognised for their "excellent" behaviour when other staff are in the room. Well done, Connor, Ruby and Litoya.

SPORTS NOTICES

Lots of sports notices have gone out over the last week, please be **determined** to get them back to the office as soon as you can so we can place your **Legend** in a team.

A huge thank you to the PTA who shouted Room 9 pizza lunch from the raffle draw.

Congratulations to the 1st prize winner Starsh and 2nd prize went to Tania. The winner of the scooter was Manaia from Rm 14.

HUI-A-WHANAU

We can't wait to see you next week as our staff **LEGENDs** enjoy celebrating the hard mahi of your **LEGEND** over the year. Staff will also be able to answer any patai you have regarding your **LEGEND** and will also share some ideas that could help at home for learning. This is a highlight on our annual calendar as it is a nice way to connect 1-1. Prior to the hui, an iPad will be available for you to complete a survey, as we try and gain your voice around the teaching and learning at Cloverlea. The last survey we did, it was clear that Health and PE were just as important as Literacy and Numeracy, so we have made sure that we have had external providers come in and run sports sessions to help develop our **LEGENDs** skills. We look forward to getting as many responses as possible so that we can work in partnership with your aspirations for your **LEGEND**.
