PRINCIPALS PEN

We had our first hui-a-kura (whole school assembly) on Tuesday morning. We alternate our weeks with everyone being in the hall one week and the next week, we do our hui-a-kura through the intercom. Our Student Leaders led this and they did an **'excellent'** job for their first time. If your **LEGEND** is participating in things outside of school and you think others should know, please let us know so we can also celebrate their achievements.

All our akomanga have been **'determined'** to keep practising for the triathlon next Friday. Each year group will have a different length to run, bike and swim. For many of our **LEGENDs**, they really enjoy the triathlon and enjoy participating. For some of our seniors, this is a bit more competitive as they understand placings and are striving for house points. We know that all our values are in action throughout the triathlon, and we look forward to a great day!

BASKETBALL COURT OPENING

After the triathlon next week, we have some special manuhiri (visitors) coming from Basketball New Zealand, Basketball Manawātū and a Basketball Player coming to have the official opening of our court. Our Student Leaders are currently planning this, and it will be a great way to acknowledge the grant we received for this as one of only 5 schools in Aotearoa.

ABSENT...

If your **LEGEND** is absent from kura it is important to let us know otherwise it gets marked as unexplained.

You can notify us in one of the following ways:

- Absence on Skool Loop
- Phone the office (can leave a message) **06 357 3955** (press 1)
- Text the school phone on **027 353 0233**
- Email office@cloverlea.school.nz

WE ARE LEGENDS!

SENIOR CAMP PARENTS

Thank you to those that have been returning the vetting forms. Decisions around which parents will go will be made later in the year and will be based around student needs and student's numbers. We know that we need whānau support for our camp experiences and appreciate those who are able to help.

POSITIVE POST:

Congratulations to these **LEGENDS** for being drawn from the positive post box. These **LEGENDS** are recognised for their "**Excellent**" behaviour when other staff are in the room. Well done, Kasen, Waiora, Kaisa, Adrianne and Luchè

SPORTS

As the year progresses, we offer the sports that we can, based on **LEGEND** interest and those who are able to coach or manage a team. We know that many of our **LEGENDS** join teams and as parents, you may not know much about the code but learn alongside our **LEGENDS**. We expect all our **LEGENDS** to be wearing the correct sports uniform, which is available for purchase from the office. We are also happy for payments to be made over time so that our **LEGENDS** can play sports. We have worked really hard to ensure this option is available for our **LEGENDS** and trust that payments will be made. Our Board of Trustees also has made the decision to subsidise the sports fees so the cost you pay, is at a reduced rate.

RŪMA TAHI - ESCAPING THE HEAT!

Rūma tahi have been enjoying getting into the pool and escaping from the heat over the last few weeks. They have also been showing a whole lot of kairangi (Excellence) and rae pakari (Determination) with their swimming. Check out these superstars working hard to develop their swimming style, practising their floating with and without pool noodles, using their arms and learning how to smoothly glide through the water.
