PRINCIPALS PEN

We have had a really settled week as our **LEGENDs** return from the school holidays. A huge welcome to all our new whānau and **LEGENDs** who have begun this term with us. I have been really proud of the way our **LEGENDs** have remembered the routines and expectations and have come back ready for learning. As a school, **LEGEND** is at the centre of all we do, and this begins from when we enter the school grounds. Our **LEGENDs** know that they can be **'organised'** by putting their shoes in twos and bags zipped up. **LEGENDs** can be **'inclusive'** by greeting our Kaiako (teachers) and their friends. **LEGENDs** can be **'determined'** to put their brainfood and kai in the right place and fill their drink bottles. These are all routines that help support our **LEGENDs** to be self-managing and independent.

This term, we will have several sports opportunities with outside groups visiting as well as our Student Council **'organising'** a mufti day for next week. Kapa haka happens every week for all **LEGENDs**, and I know that you will be hearing lots of **LEGENDs** sing the waiata being taught at home. We all look forward to a legendary term and our **LEGENDs** striving to be the best that they can be!

POSITIVE POST:

Congratulations to these **LEGENDs** for being drawn from the positive post box. These Legends are recognised for their **"excellent"** behaviour when other staff are in the room. Well done, Charlotte, Kasen and Amelia.

BOARD VACANCY

As per previous communications the board are seeking a casual vacancy position. As the 28 days have now lapse and no requests for a by-election were received, the board will now go through the selection process.

POWHIRI FOR MATUA JARED

On Monday, we took Matua Jared to his new school, Manchester St in Feilding, as he began his new role as Principal. The senior **LEGENDs** who supported Matua Jared, showed their **LEGEND** values and were outstanding in their singing and enjoyed seeing Matua Jared's new kura. Although it was sad for us to see Matua Jared stay behind, we were all really **'inclusive'** and happy for him as he begins his new journey. We have had lots of questions around 'who' will be our new Deputy Principal and this is a lengthy process to ensure we find the right person who will continue to support our Cloverlea kaupapa. This process does take 2 months and an announcement will be made in due course. This term Whaea Philippa, Whaea Megan and Whaea Lia will be released for 1 day a week from their classroom as they pick up some of the workload while we work through the DP appointment.

SCOUTING MOVEMENT

Join the adventure, challenges, and excitement of the Scouting Movement. Places available in Kea and Cub Sections for both boys and girls from 6 years up. Programmes run during school weeks at the hall at Colquhoun Park, JFK Drive, sandwiched between Colquhoun Park and Beauchamps Funeral Home.

FREE HAIRCUTS FOR LEGENDS FROM BHB ACADEMY

On Thursday 27 July, BHB are coming to school with 10 trainee barbers who will offer clipper cuts or scissor cuts (no lines, no patterns or fades as this is too time consuming) for any **LEGEND** who would like their hair cut. They will be on site for a couple of hours and operate from the hall. Girls will also be able to have their hair French braided. The trainee barbers will have someone qualified to ensure their cuts are correct and this is an opportunity for barbers to practise on students. If you would like your **LEGENDs** haircut, please contact the office with some details so we can organise which **LEGENDs** to collect from class and if you would like to be present for when your **LEGEND** gets their haircut or braided, we can also arrange this.

BEING INCLUSIVE AND SUPPORTING A PREVIOUS CLOVERLEA LEGEND

Carson Harvey attended Cloverlea from 2011 – 2017 and has unfortunately been diagnosed with Arteriovenous Malformation which is very deep in the brain and Carson requires surgery that cannot be done in New Zealand but in London. Without the surgery, the family have been advised that any bleed will be a risk to life or brain damage causing paralysis. A give-a-little page has been started with the hopes of raising as much as possible to ensure Carson and both his parents are able to go to London for 3 months for the two surgeries needed. On Friday 28 July, we will be holding a mufti day with all proceeds going to his whanau to help Carson. Any koha is appreciated.
