PRINCIPALS PEN

This week Whaea Mia, Kōkā Kiri and Whaea Philippa went to Waitangi for a conference that continues to focus on our localised curriculum. They spent time at the Waitangi Grounds, Kohewhata Marae, travelled to Opononi for Kupes Footsteps and attended learning workshops. Learning opportunities are extremely important for our kaiako (teachers) as this helps build more knowledge that can be taught within our learning programmes here at Cloverlea.

Next week, we look forward to our Ruahine **LEGENDs** spending 3 days at camp in Waikanae. Many schools no longer offer camps due to the safety risks as well as lack of parent and community support. This has been a huge amount of work over the year to lead up to this. We are incredibly grateful to all the whānau who are attending as parent help. Without this support and without camp fees being paid, a 3-day camp would not have been able to happen. It is also important for me to acknowledge the staff who are attending and have been planning the activities and the rotations. This is an extra on top of what is expected at school and taking on the responsibility for all our seniors **LEGENDs** and any needs that may arise. I am sure we will see some great photos on the Facebook page throughout the week!

WEAVING KETE IN MANAWATŪ

In the pūrākau Whangai Mokopuna the taniwha needed to be fed many tuna everyday. The Manawatu team looked at possible ways these tuna could have been carried from the lake to the cave of Whangai Mokopuna and we wondered if they had been carried in different kete.

Our tamariki then had a go at making kete out of paper. Some of us became experts at weaving and then showed kotahitanga and helped a buddy to make their's.
