PRINCIPALS PEN

Our staff **LEGENDS** had a great 2 days of professional learning in the holidays and on our TOD on Monday. We had 1 day with staff who needed to resit their first aid certificates and 1 day working with Whaea Nuwynne Te Aweawe around local history. Staff visited Ahimate, Te Ara Kotahi and Te Marae o Hine and learnt about the cultural significance of these places to Rangitāne. From this, we are now creating a way to bring this to our **LEGENDS** through the development of our Aotearoa Histories Curriculum. As a staff, it is critical that we learn the local history from an iwi perspective and that we continue to develop our personal knowledge so that we can share this with our **LEGENDS**. We will be learning more about the land that our school sits on and how Mangaone Stream was utilised in the past. We are excited about this and how this will make great links to looking after our place and keep history alive.

WELCOME TO SOME NEW STAFF LEGENDS

This week we welcomed 3 new Staff **LEGENDS**.

Matua John is our new caretaker, and we are super excited to have him join the team. He brings with him a wealth of experience and knowledge around maintenance, repairs and has worked in a similar role at a local tertiary institution. Matua Sase is our new mentor, that has replaced Matua Ueta. He currently is studying and will be on site 4 days a week.

Whaea Sequoia is going to be on site 2 days a week, helping classes develop more te reo and will also be taking our kapa haka. Kapa haka will be happening across the school and then there will be extra time for some of our **LEGENDS** who enjoy doing more kapa haka.

A key element to making this a successful community project is to ensure that parcels go to those with genuine needs. This may include a conversation and an assessment of those needs.

 All parcels will be delivered by our team.

RUAHINE CAMP 31 May -2 June 2023

Ruahine Camp in Wellington is only six weeks away (Wednesday 31st May - Friday 2nd June). Our kaiako have been very **Determined** over the school holidays and a lot of the **organisation** is complete. This term, our **LEGENDs** will be working on learning that relates to camp and there will be a number of activities and tasks our classes will do to ensure we are **orGanised**, and our **LEGENDs** can show **LEAD** and our camp can be **Excellent!**

Permission Forms and Medical Forms: Your **LEGEND** would have been given medical consent and parent consent forms that will need to be filled in prior to your child attending camp in week 6. Could you please have these forms back at school by **Friday 5th May** to allow us time to collate the information and cater for specific food and medical requirements. If you have any further queries about camp please don't hesitate to contact us.

NOTE: If you are a camp parent you will also need to fill in the Consent and Medical forms and return it by the due date. We have sent two of each form home with your child, one for you and one for your child.

Camp Fees: Remember that camp fees are **\$250**. You are welcome to set up an automatic payment so camp fees are paid off over time. **This can be paid into the school bank account (BNZ 020 727 0547939 000). Please put your child's name and 'camp' as a reference.** There are 6 weeks until we go to camp. If you started paying for camp this week, the weekly payments would be \$42 per week (but remember fees will be reduced by however much your **LEGEND** has fundraised).

Fundraising: Please get any outstanding money raised from the Bike and Scooter-A-Thon in by the end of this week. Money raised from this fundraiser will come directly off your **LEGEND's** camp fees. Talk to our Office **LEGENDs** if you have any queries about this.

INTRODUCING OUR NEWEST LEGEND

Mrs T's little **LEGEND** was **orGanised** like Grace and was born close to his due date. Mason was born on the 29th of January because he knew he wanted a school holiday birthday for his big brother to talk about on the first day of term - how **iNclusive**. Mason is now 12 weeks old and has been **Determined** to meet his milestones like smiling and "talking" and is **rEsilient** when he accidentally hits himself while he learns to use his hands.
