## PRINCIPALS PEN

Our **LEGENDs** were super excited this week for the Duffy Show on Wednesday afternoon. We are very lucky to have Duffy Reading as part of our school and that there are sponsors who help and ensure every **LEGEND** receives brand new books to take home to be able to read. **LEGENDs** can select a couple of books that they are interested in from a range of 40 books. Each **LEGEND** received 2 books from the 4 books they selected. We are so grateful to our sponsors Greg and Janie Loveridge for being so **inclusive** so that every **LEGEND** was able to take new books home.

## HEAD LICE

Recently we have been made aware of a growing lice problem within some classes here at school. Please ensure you follow these simple steps: check your **LEGEND's** hair regularly, treat your **LEGENDs** hair as soon as you notice lice or eggs and contact the school if you notice lice so we can tell other whānau to be vigilant. We also have lice shampoo and combs available in the office at school that are free to parents and their **LEGENDs**, just ask at the office and remember to check weekly!

What's coming up:

Matua Ueta has settled into his new home in Sydney and is sending us lots of updates with how his training is going.

## RIPPA RUGBY

Congratulations to our Rippa **LEGENDS** who came third place across the region. You were so **determined**.

Road Safety Before and After School: we have had several staff come to Senior Leaders concerned about safety at our crossings before and after school. Please be **Determined** not to stop or park on yellow lines or over gateways so our year 6 Road Patrol **LEGENDS** have clear vision and can make good choices. Safety of all our **LEGENDS** is our top priority.

Police are visiting local schools and giving reminders about what we should do to keep our students and community safe. They have told us that we should:

- Advertise in our school newsletter that we will be taking action to deal with illegal parking in order to ensure our students and community are safe.
- Talk to our students and have them remind their parents not to park illegally.
- Have teachers warn parents who are parking illegally and keep a record of warnings.
- If a parent has been warned and we need Police to take action by issuing a \$60 parking ticket email with the details.

We do not want to have to do this, and we are hoping this **iNclusive** reminder is enough. Thank you for making sure our school is safe.
