## PRINCIPALS PEN:

We have had a great start to the term with our **LEGENDs**. Welcome to all our new whanau and all our new **LEGENDs** who began with us this week! As I was wandering around each day, classes were spending time learning about each other and developing strong relationships with each other through the value of being **'inclusive'**. We always focus on building a strong class culture from the beginning of the year as this helps our **LEGENDs** feel connected and feel safe about being in a new class and with new people.

**LEGEND** is at the core of all that we do so all our learning programmes are based around 'how' we are **LEGENDs** in different situations. Classes this week spoke about what **LEGEND** means in the cloak bays, what **LEGEND** means when using devices as well as how we are **LEGENDs** during Read and Feed.

We have a **legendary** staff who are always willing to help, are easily able to be approached if you needed to know something.

## TEACHER ONLY DAYS:

The teachers spent 3 days last week on site continuing to develop the learning programmes that we have in place at Cloverlea. We spent time working through more of our Flipped Learning understanding and what this means in the classroom, worked through Niho Taniwha (a book we are focussing on around building cultural understanding across the school) and continuing to develop **LEGEND**. We also had some staff **LEGENDs** resit their first aid certificates. Other staff will be resitting their first aid certificates in the April school holidays.

## ROOM 12, ROOM 13 AND ROOM 14:

Our new learning spaces

are **'organised'** and our juniors spent their first week in the brand new spaces. Check out these photos of our new **LEGENDs** enjoying being in the classrooms!

## Cloverlea School Ballot:

Enrolment at Cloverlea School is governed by an enrolment scheme, details of which are available from the school office. Parents of students who live within the home zone and **intend enrolling their child at a time during the next year** should notify the school by as soon as possible to assist the school to plan appropriately for next year.

## Out of Zone Students:

The board has determined that up to Forty-Five New Entrant and Year 1 places are likely to be available for out-of-zone students in Priorities 2-5 for the next year. The exact number of places will depend on the number of applications received from students who live within the school's home zone. There are also four spaces in Year 2 and five spaces in Year 4.

In 2023 there will be **four** enrolment periods as set out below

Please email your intention to: Leiana Lambert [principal@cloverlea.school.nz](mailto:principal@cloverlea.school.nz)

If the number of out of zone applications exceeds the number of places available, students will be selected by ballot.
