PRINCIPALS PEN

It is so hard to believe that we are in July! Our final week has seen our Pasifika group perform at the Regent for Pasifika Fusion and some of our **LEGENDS** were acknowledged at Digi Fest. One of our aspirations is to give our **LEGENDS** different learning experiences so that they have the opportunity to give different things a go! There were lots of whānau who made it to the Regent to watch and I enjoyed seeing the big smiles and the conversations at the end seeing our **LEGENDS** shine! If you missed the performance, it is available to watch on our facebook page. I also want to acknowledge all the Puanga learning this term: the Puanga evening with our Te Waipuna and Manawatū whānau last week and the mahi for the hangi with our Tararau whānau. Although the hangi didn't go as planned, we were **resilient** and **determined** to still have a great celebration. Ruahine team also did a fantastic art exhibition showcasing their learning. This is **excellence** in action! Over the next 2 terms, our school focus will be around Whangai Mokopuna - a Rangitāne pūrākau. Our **LEGENDS** will be learning about the Manawatū river and have learning experiences through Science, Technology and Digital Technology. Our focus is on building our localised curriculum, having teaching and learning experiences that are connected to where we live!

Have a safe holiday - I can't wait to see our **LEGENDS** return ready for an exciting term 3!

Cloverlea School

Enrolment at Cloverlea School is governed by an enrolment scheme, details of which are available from the school office. Parents of students who live within the home zone and **intend enrolling their child at any time during the next year** should notify the school by as soon as possible to assist the school to plan appropriately for next year.

Out of Zone Students

The board has determined that up to Thirty-two New Entrant and Year 1 places are likely to be available for out-of-zone students in Priorities 2-5 for 2024. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

There are also:

3 spaces in Year 3, 3 spaces in Year 4, 2 spaces in Year 5

There are no spaces in Year 2 and Year 6.

Please email your intention to: Leiana Lambert principal@cloverlea.school.nz

If the number of out of zone applications exceeds the number of places available, students will be selected by ballot. If a ballot for out-of-zone places is required, it will be held on the below dates. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

Fourth Ballot

Length of enrolment period: 28 September 2024 – 16 December 2024

Deadline for receipt of applications: 23 August 2024

Date of ballot: (if needed) 26 August 2024

Congratulations Matua Sase. This week he got signed to the Turbos and we celebrated as a staff this achievement. Matua Sase has been '**determined**' to do his best and we cannot wait to see him take the field! Matua Sase will be focussing on his rugby so will only on site mentoring our **LEGENDS** for very limited hours in term 3. We are so proud of you Matua Sase for reaching your goals!

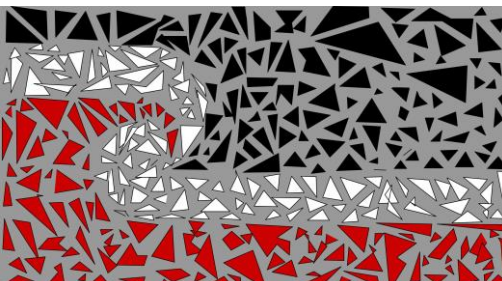

DIGIFEST ART EXHIBITION

Digifest is a STEM festival for learners across local regions. We inspire learners to create, connect and celebrate learning within Digital Technologies and e-Learning.

The Digifest exhibition is held during the July school holidays (5-11 July) at Te Manawa. This year the following **LEGENDs** from Room 7 and Room 8 have art on display:

Room 7: Amelia, Blake, Joe, Joshua, Ruby, Slade

Room 8: Ava, Hinekōrangi, Kaiarahi, Kaylee, Lilly, Mila, Nico, Spencer, Sulu

On Tuesday 2nd of July, some of our **LEGENDs** went to The Regent to perform at Pasifika Fusion Legacy 2024. We are all so proud of these **LEGENDs** and staff. There is a link on the school Facebook page if you would like to watch it.

Ruma Whitu

Learning New Games

This week, Room 7 spent some time bonding with our next door neighbour class, Room 6. Whaea Paige was very **iNclusive** and taught us two new variations of dodgeball.

We learnt a warm-up dodgeball game called "Run the Goblet!" which helped us to practise our dodging and throwing skills among other things.

Next, we learnt a variation of dodgeball called "Bench Ball". In this game, everyone had to be **rEsilient** and honest if they got hit with the ball and try to get back in by catching the ball from the "enemies" side. Both classes were **Determined** to have a lot of fun and we showed **Lead** by following the rules so that it was an enjoyable game for everyone. Even the Matua and teachers got right into the action!

Ngā mihi for having us Ruma Ono, we can't wait to play you again someday (after we've trained lots!).
