PRINCIPALS PEN

There have been lots of **excellent** learning opportunities this week for our **LEGENDs**. As a school, we work really hard to try and ensure that learning has a hands-on component and connected to real life learning. Plant to Plate provides some of our **LEGENDs** with the opportunity to learn about gardening, harvesting our own kai and then using the kai to cook some healthy and nutritious meals. Our senior **LEGENDs** will be enjoying Plant to Plate over the next couple of weeks and we will share some of the recipes and photos with you.

PLANT TO PLATE

This week Room 7 and some of the Room 5 **LEGENDs** participated in the Plant to Plate programme. They learnt all about how to grow our own vegetables and what helps them grow. They also did some cooking and baking using some fresh produce from our very own Cloverlea garden! Our **Legends** used their **Excellent** cooking skills (and eating skills 😊) and we have many who want to try out the recipes at home with their whānau. A big ngā mihi to all the volunteers who run the programme, to Mrs Morley for her help in the garden and Rhonda Walkley for coming to support our **Legends** as a parent helper today.

PINK SHIRT DAY 2023 – celebrating our value of being Inclusive like
