PRINCIPALS PEN

As we begin to wrap up the year with end of year prize giving's, graduation for our year 6 **LEGENDs** and moving classes, it's a great time to remind everyone about our award ceremonies. Throughout the year, our **LEGENDs** are celebrated in our school assemblies, team assemblies and through the multitude of sports and cultural events that we have on offer. Our final award ceremonies are hard for our kaiako to select their class awards as it is progress and achievement in our values across the year. Not only does **LEGEND** recognise the social values but also how these apply to our learning programmes. Someone who shows being **organised** in learning will be someone that has the right things, on the right day, returns panui on time, is where they need to be and **organised** for the learning activity. Someone who shows **resilience** in learning, will be someone who keeps trying even when something is hard, or when a kaiako gives feedback on how they can improve their writing, they stay calm and edit their writing. Someone who is **determined**, will also participate in activities that they may not like, without influencing others in the class to become unengaged. Please see your **LEGENDs** kaiako if you feel you need to after the award ceremonies.

12pm

WE ARE LEGENDS!

CELEBRATING MS SAYWELL

On Tuesday, we celebrated Ms Saywell and her time with us as she finishes working full time. Ms Saywell has been teaching at Cloverlea for 25 years and was teaching in other local primary schools before this. As a staff, we worked out Ms Saywell has worked alongside 113 staff and worked with more than 625 **LEGENDs**. We look forward to seeing Ms Saywell next year as she works 5 days a term covering Whaea Megans class.

Thank you, Ms Saywell, for your contribution to education and being a long serving community member.
