PRINCIPALS PEN

This week has been a great week with lots of our senior **LEGENDs** competing in the annual Ricoh Tournament. We had 5 teams represent our school, playing in Football, Netball, Sevens, Basketball and Hockey. Our conversations at the start of the day were focused on what **LEGEND** means at sports events and how we show '**resilience**' if things don't go our way. As results kept coming in after each round, these were shared in the intercom for all our **LEGENDs** across the school. There were some close games, some draws, and two codes made it through to semis – our Sevens and Hockey Teams. Congratulations to the **Sevens team for being placed third** in the region and our **Hockey team for being placed fourth**. I also need to mention that we had some of our **LEGENDs** play in the Barbarians team which was made up of a couple of players from each school. They not only got to meet other players from other schools, but they also were '**determined**' to do their best. The Sevens Barbarians team made the semis in Sevens playing Cloverlea, so the game was lots of fun! A huge acknowledgement to all our coaches and our managers who were mostly **staff LEGENDs** with one **parent LEGEND** looking after our Hockey team. It was great to also catch up with lots of whanau who were able to pop in and out between courts, the turf, and the fields.

HUI-A-WHANAU

What a great turn out this week! Lots of **staff LEGENDs** were really looking forward to sharing with you the amazing progress our **LEGENDs** are making. We can '**organise**' another day or time to catch up with the staff for any whanau who were unable to make the Tuesday or Wednesday times. Staff will be in contact over the next week to try and arrange a hui. We really value working alongside you and celebrating our **LEGENDs**. At the end of this week, we had 85% attendance and are striving for 100%.

PŌTAE VOTING

Last week our **LEGENDs** and staff had the opportunity to vote for which pōtae design they wish to have on our sports school cap. Here is our winning choice. These new caps will be ready for purchase next term. Please note, this does not replace our current hat, it will be an additional one to our wide brim hat.

CLOVERLEA SCHOOL'S 2023 WORLD CUP DAY

With this year being a busy year for world cups, Cloverlea have decided to hold our very own World Cup Day. This will take place at our kura next Thursday, the 14th September and will involve all of our **LEGENDs** taking part in a variety of different activities based around the football, netball and rugby world cups. **LEGENDs** will be competing for house points, awarded by skill and the showing of our **LEGEND** values. **LEGENDs** are encouraged to come to kura in their house colours ready to earn their house some points. Our kaiako are looking forward to seeing some house spirit and tuakana/teina partnership!

POSITIVE POST:

Congratulations to these **LEGENDs** for being drawn from the positive post box. These **LEGENDs** are recognised for their "**excellent**" behaviour when other staff are in the room. Well done Lochlan and Ruby.

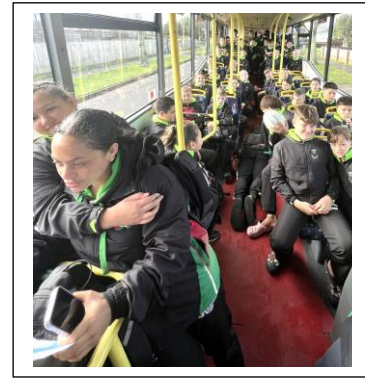

SPORTS NOTICES

Lots of sports notices have gone out over the last week, please be **determined** to get them back to the office as soon as you can so we can place your **LEGEND** in a team. All fees can be paid through our account above.

RICOH SPORTS TOURNAMENT

Well done to all our **LEGENDs** who represented Cloverlea School yesterday at the Ricoh tournament. You all showed **determination** and **excellence** while playing your chosen sport.
