

# CLOVERLEA SCHOOL

# CIRCLE TIME

At Cloverlea we end our school day with Circle Time in all our classes. During Circle Time we support our LEGENDs to reflect on the learning that has happened that day through a LEGEND Value focus.

Circle Time happens in the classroom at the end of every day.

Circle Time helps to develop a learning space where LEGENDs build more confidence to share their ideas.

Circle Time helps LEGENDs to revisit and think about their learning from the day.

Circle Time helps to strengthen friendships and relationships with their teacher and peers.

Circle Time connects the classroom learning with our LEGEND values.

The Circle Time routine helps to create a settled and calm environment before home time.
