

# CLOVERLEA SCHOOL

# PAE KŌRERO

Every morning, all Cloverlea classes transform their learning spaces into pae. LEGENDS take their turn on the pae and deliver a kōrero to the 'manuhiri' (their classmates). This gives LEGENDS the opportunity to speak te reo while other LEGENDS show manaakitanga by listening and singing waiata. Pae Kōrero gives our LEGENDS the opportunity to learn about the tikanga and protocol that would be experienced during pōwhiri.

Pae Kōrero ensures that tikanga is used to start every day in our kura and acknowledges we are tangata tiriti.

The number of LEGENDS on the pae and what they share in their kōrero is built on as they get older and as they grow in confidence.

Pae Kōrero normalises the school culture where te reo and tikanga is part of what we do.

Pae Kōrero provides LEGENDS a chance to use te reo and tikanga through a whaikōrero process.

Pae Kōrero builds whanaungatanga with others by connecting taha wairua, taha tinana, taha whānau, taha hinengaro and taha whenua.

Pae kōrero brings calm to the start of our day.
