

PLAY-BASED LEARNING

Play supports a smooth transition to school from early childhood settings. LEGENDs explore play environments that are mana enhancing.

Play helps LEGENDs build life skills through exploring, experimenting and solving problems using equipment.

LEGENDs play with taonga of Aotearoa and develop their fine and gross motor skills (small and big movements).

LEGEND's develop whanaungatanga (relationships) with others in their akomanga

LEGENDs have a choices from a wide variety of play equipment that supports their identity and culture.

Play supports LEGENDs to talk with others and share equipment.

LEGEND's get a chance to practise our kura values in English and te reo Māori.
