PRINCIPALS PEN

How excited are our **LEGENDs** for the Puanga Market next week?! I have been really impressed as I have been visiting the classes and hearing all their problem solving and all the decisions they have had to make. This is the first time we have not had many games as we really focussed on our learning through Rangi and Papa and Puanga. Our Markets always focus on being student led - they do the rosters, they make decisions, they decide final products and they connect the learning. I know you are going to enjoy seeing their mahi in action!

PAE TAMARIKI

We are all registered for Pae Tamariki. Whaea Sequoia will be working with the 40 **LEGENDs** who will be performing. These **LEGENDs** have been those that during the weekly practices, have been showing all our values and are really enthused.

SOCIAL SOCKS

On Tuesday, Te Waipuna Year 1 classes had their last session of Social Socks. Our whole team came out on the turf to thank Lesley Bates and her Social Socks team for all of the mahi they have done alongside our kura for so many years.

CLOVERLEA'S PUANGA MARKET

This year, our annual Cloverlea fair will be held as a Puanga market. This will take place on **Thursday, the 18th June 1.15pm-2.15pm**. Our Puanga market involves all of our **LEGENDs** and is based around Puanga with links to the learning each of our teams have been doing on the pūrākau of Papatūānuku & Ranginui.

Our **LEGENDs** are super busy putting all of their kairangi learning over the term into action, designing and creating their products to sell at the market. Photos of these products will be put up on the Cloverlea facebook page next week.

A pānui (notice) went home this week with details and info around bringing in money for tickets. If your **LEGEND** did not bring one home, please grab a spare from the office.
