PRINCIPALS PEN

What a great week to have our **LEGENDs** being 'organised' and practising for our triathlon next week. With the new fence, the tracks have had to be slightly changed, and this will all be shared on our Facebook page.

We have also had our senior Road Patrollers spend some time with the Community Constables having a refresher around how to patrol the roads safely. Thank you for ensuring your **LEGEND** uses the crossing before and after school - it helps make the seniors feel that their role is important.

Our Sausage and Swim evening last night was a great way for everyone to connect with each other and a nice way for our **LEGENDs** to spend some time outside of school hours at school swimming and playing with each other. The staff also enjoyed being able to chat with our whānau and not be under the pressure with time like we can be in the mornings.

This morning, police were on Benmore Ave before school. Our school has procedures in place should the police ring and advise us if we need to go into lock down. This morning, the police did not contact us to say that there was a need for this, and whatever the issue was, it was resolved.

LEARNING PROGRAMMES FOR THIS TERM

Triathlon has been a core focus the last 4 weeks and lots of the formal learning programmes are well underway. Teachers have been working on setting up the routines with our **LEGENDs** and building a relationship with new **LEGENDs** so that our **LEGENDs** feel comfortable to show us what they can do and let us help with their next steps in learning. All classes have begun learning a bit about How the Kiwi Lost his Wings and there is some exciting learning organised in this space. You will see on our tomokanga the kiwi, the piwaiwaka and the pukeko which is connected to this pūrākau.

ELECTRIC SCOOTERS

Senior **LEGENDs** enjoy having the opportunity to use our electric scooters that we have as a school. These were purchased as part of acknowledging **LEGENDs** who are showing our **LEGEND** values in their learning and in the classroom. Twice a week, one of our Mentors, will take a small group of seniors to use the scooter on our bike track. They always have helmets on and enjoy this time being acknowledged for their mahi.

TE MARA O RONGO

This week, Whaea Kerri spoke about the journey of how Te Mara o Rongo was created. We are looking at working on the other half of the garden at some stage this year. We were grateful to have received a grant from Environmental Network to help with funding this.

CAMP WHOLE SCHOOL RAFFLE FUNDRAISER

One of the values we live by at Cloverlea School is being **inclusive**. To support our Senior **LEGENDs** to attend camp this year, the Ruahine teachers are running a Raffle Fundraiser with our whole school community with prizes up for grabs!

Finer details and prizes will all come out and be confirmed by Week 6!
