PRINCIPAL'S PEN

On Monday, I was in Wellington at the Teachers Council working alongside 10 other educationalists looking at some systems in place nationally for teachers and principals. It was then disheartening to hear that our elected representatives would no longer have their roles. The Teaching Council are an independent body, who have been elected by teachers and principals, to help set the standards, ensure those who are registered are able to do their job and also liaise with those who offer teacher training programmes. Education is often spoken about in the media and decisions are made by many who have never taught, never been in a classroom working or understand that everyone learns at a different pace. I am also looking forward to more detail about how the new budget will support our **LEGENDS**. It has been a great week watching our **LEGENDS** show so much resilience and determination as they have been practising for the Cross Country. Our **LEGENDS** look forward to seeing which House will take the banners and I will be waiting to see which House gets our Bucket Filling Banner for being inclusive to everyone. We have a couple of analogies at Cloverlea and one of them you will hear is about being a bucket filler. This is us knowing that everyone has an invisible bucket and when we are inclusive and do kind things, our buckets get filled. Our banners are displayed in the hall for each event that we do. In hui a kura (assembly) Kowhai house was acknowledged for Relay for Life being awarded the 3 banners for - most laps done, most **LEGENDS** attending and also for getting the most Golden Tickets in term 1.

MOBILE DENTAL UNIT

The Mobile Dental Unit is here at Cloverlea School to examine and provide preventative treatment (cleaning, fissure sealants, x-rays and fluoride treatment) where required for patients due for their annual check.

Students requiring further treatment, (fillings and extractions) will be sent an information pamphlet, medical history update form and consent form. These will need to be signed and returned to either the Mobile or the school office before any treatment is undertaken.

If parents have any concerns or wish to be present at their child's dental appointment, please contact us on either of the numbers below.

Regards from the Dental Team

PINK SHIRT DAY KOHA

We had lots of **LEGENDs** bring in clothing and toys that were no longer needed at home, and we took them to Butterfly Compassion on Thursday. This was a way our **LEGENDs** were able to show they are inclusive of others.
