PRINCIPAL'S PEN

Earlier this week, the staff shared all the learning activities teams have worked on have the last 6 weeks. I was really impressed with the hands on learning opportunities all our **LEGENDs** experienced - from baking and cooking through learning about Rongomātane and Haumie-tike-tike, the brainstorming and planning in Tararua team for items that are connected to Tawhirimatea and the seniors who have learnt about nutrition and connecting it to caring for Papatuānuku.

We begin our kaupapa (theme) learning into Puanga as our minor focus so you will begin to hear conversations about the Puanga Market on 18 June. Each team are organising items to sell, and the focus is on our **LEGENDs** going through the process of brainstorming, developing an idea, trialing their idea and then selling what they have created to each other. Our **LEGENDs** enjoy our annual market (fair), and I am sure there will be lots of conversations coming home about our Puanga Market.

SENIORS YEAR 5/6 CAMP EL RANCHO

A second newsletter was sent out this week with further information about camp. Included in the newsletter was a medical and EOTC (Education Outside the Classroom) permission form that must be completed and returned. Please ensure that all student forms, as well as camp parent forms, are returned to your Ruahine teacher by next Friday.

If you know that your LEGEND is unable to attend camp this year, the newsletter stated that the office or Ruahine teachers needed to be notified by this week. Camp fees will be charged to your LEGEND's account, and unfortunately once payment has been made to the campsite and activity providers, refunds are unable to be issued.

Any questions please email Whaea Lia - lia@cloverlea.school.nz or you can seesaw your LEGENDS classroom teacher.

Te Waipuna LEGENDs have had their very first school dental van experience and their classroom kaiako's positive prep paid off. We read our LEGENDs a visual learning story from the dentists around what happens at a "check up". They watched a little video of how to get to the dental van and head up the stairs and what inside the van looked like prior to any visit. Our littlest LEGENDs were taken in small groups, so they never were alone, and we brought fun teeth activities through in their play. Huge thanks whānau for bringing the forms back so quickly if your LEGEND had one.
