PRINCIPALS PEN

Our **LEGENDS** enjoyed learning more about Te Ahu a Tūranga this week and ending the week with the Cloverlea World Cup. This was a great school wide event, where **LEGENDS** got to earn points for their houses, while working in teams that were mixed age across the school. This is one way our **LEGENDS** practise our values in action: our seniors take on leadership with extra responsibility within their houses and teams, organise themselves to be at the correct rotation number, and include each other. I know when the banners are announced next week, this will allow another opportunity for our **LEGENDS** to practise their resilience.

The last 4 weeks of term will go real fast, with our senior **LEGENDS** looking forward to camp. Thank you to all whānau ensuring payments are made, and please see your **LEGENDS** kaiako if there are any issues.

BILINGUAL UPDATE

The teaching role for next year is currently advertised and closes on 4 September. After that, the process will involve interviews, offering the position to someone, completing all the necessary paperwork and then deciding on the year level(s) for which we can offer bilingual education. As we begin this journey, there will be lots of behind-the-scenes mahi to do and we will keep you up to date as we can.

ONLINE GP CARE NOW FREE FOR ĀKONGA 13 AND UNDER

With health services experiencing high demand, online GP care is an option for accessing care and the service is now free for all ākonga up to, and including, the age of 13.

Appointments usually take place through a video app or a phone call and the service can prescribe medicine and send prescriptions to your nearest pharmacy. It also provides another care option for rural communities.
