PRINCIPALS PEN

This week, we celebrated our kaiako (teachers) as part of Aotearoa Teachers Day. Teachers do more than just teach reading, writing and math—they listen, encourage, and believe in them every single day. Teachers 'see' our **LEGENDs**, recognising all their potential and their individuality. At Cloverlea, our kaiako go above and beyond—they not only plan learning experiences that engage our **LEGENDs** but also take teachable moments to make learning fun! Taking a moment to celebrate and acknowledge them shows how much we truly appreciate the resilience, care, and heart they pour into our tamariki. I know that you also appreciate what our kaiako do and I know they are always grateful for your continual support.

2027

To help us organise classes and staffing for next year, please inform the school office as soon as possible if your child will not be returning in 2027. We are already working on classroom numbers, and this information would be really helpful with our planning.

CHESS CLUB

This week, Takaro visited us with 10 players and some of our **LEGENDS** enjoyed playing them on Tuesday afternoon. It has been a great way to meet others from a different school and to learn from each other. We will be taking a group of senior **LEGENDS** to Takaro in week 5.

IMPORTANT INFORMATION

Kia ora whānau,

Every morning, our office staff spend a lot of time following up on unnotified absences to make sure all of our **LEGENDS** are safe and accounted for. If we are not notified then your **LEGEND** will be marked as truant.

You can help our office team immensely by letting us know as early as possible if your **LEGEND** won't be at school.

Ways to report an absence:

- App: Report via Skool Loop
- Text 027 353 0233
- Call (can leave a message): (06) 357 3955
- Email: office@cloverlea.school.nz

Planning a holiday during term time?

Please let the office team know well in advance. Advance notice helps us code the absence correctly in our system and saves us from contacting you while you are away.

Our 6-Day Check-in Policy:

A quick reminder that when a **LEGEND** reaches 6 days of absence in a single term, a Deputy Principal will reach out via phone or Seesaw. We completely understand that tamariki get sick and need time at home to rest and recover; this check-in is simply a standard Ministry-aligned process for our kura and to see if there is anything we can do to help support.

WRITING PROFESSIONAL LEARNING FOR STAFF

This week, Whaea Kerri, Whaea Philippa and Whaea Megan spent a couple of days learning more about the teaching of writing. Based on what we are seeing in our **LEGENDS'** writing, we know this is an area where many of our **LEGENDS** need a lot of learning support in. Writing will be one of our key foci next year as we continue to develop our Flipped Learning in writing.
